

STOKESBY RALLY SEPTEMBER 2008

Winds were variable but enthusiasm was high on 27th September when seven club boats set out in brilliant sunshine to meet at Stokesby. Unfortunately as Cara suffered mechanical problems and Lily kindly became the emergency tug, only five made it. Meanwhile at Oby Dyke, five club boats had an assignation with a Boat Safety Scheme examiner. Two boats sailed through the examination leaving the three also rans with various minor jobs to do to gain certification. As boats gathered on the Ferry Inn mooring there was the usual YVSC sharing of tea, chat, cake and wine, with David's excellent home made May Flower wine attracting much interest. It certainly didn't last long. In the evening twenty-six members and guests sat down to enjoy dinner at the Ferry Inn. Sunday morning saw Wenonah, Vagabond, Ripple, Redwings and Marionette sailing off in light winds to meet for lunch in Fleet Dyke or just to enjoy some sailing on the Bure before returning home.
